Waseca Marching Classic Parade Participant(s):

Welcome to the Waseca Marching Classic!

I hope you find your day in Waseca very enjoyable, prosperous, and safe. Many volunteers have come together to make today one of the upper Midwest's finest displays of High School Marching bands. I am sure that you will be impressed with the quality of bands that have been assembled and have worked so hard to be here today.

For the safety of all participants and spectators, **I respectfully request that all candy and favors be passed out by hand to persons along the parade route. Please do not throw candy or other objects from your unit.** There are a number of reasons for my request. Many units are pulled by large trucks and tractors and, unfortunately, it is very difficult, at times, to control excited children along the parade route. Children can run out in front of these large units and suffer injuries. Our staff is asking for your cooperation so we can avoid these types of situations altogether.

Again, much planning and preparation has gone into ensuring you have a wonderful time today in Waseca. Please enjoy yourself and the festivities and be sure to come back and visit us again soon!

Sincerely,

Penny Vought  
Chief of Police  
Waseca Police Department
